Nutricia Medical chooses Mawdsleys

As part of its streamlining process, [Nutricia Advanced Medical Nutrition](#), suppliers of specialist nutritional products, has chosen Mawdsleys as one of four partner wholesalers.

The streamlined network will service hospitals, community pharmacies and dispensing doctors throughout England, Scotland and Wales. As well as normal stock, special orders, including non stock lines and special obtains, will be available from Mawdsleys.

Mawdsleys are delighted to have been chosen by Nutricia as one of four distribution partners and are now working closely with Nutricia to ensure a smooth transition to the new arrangements for all their customers.

Sales Director Paul McAllister explains “we will continue to maintain our high standards of service to all existing customers and welcome the opportunity to supply new customers. If pharmacists and healthcare professionals are currently sourcing Nutricia products from another supplier and are seeking a reliable alternative in the future then they should contact us on the below details”:
